

# Tasha's Own – our partner and host for the Williamsburg pick up.

Tasha's Own will have beekeeping equipment available to purchase on the pickup date. To pre-order beekeeping equipment or products from Tasha's Own, please email them at [tashasown@gmail.com](mailto:tashasown@gmail.com).

## About Our Partner

**Tasha's Own** is a family owned and operated venture of love and commitment to reviving the lost arts. Not only do we strive to farm in a sustainable manner, we are committed to utilizing time-honored "old fashioned" methods as well. These methods both enhance the lives of our animals and maintain our connection to the earth. By offering and promoting our products and educational ventures nationwide, we are supporting and encouraging other small farms. It is our belief that small farms are the backbone of our culture and our country; producing healthier food, creating superior products and fostering healthy economies and communities. By choosing one of our tonics, soaps, or other farm crafted goods, you are taking a step towards sustainability, simplicity, and health.

**Location:** [Tasha's Own](#)

7849 Church Lane Toano, VA 23168

[Google Maps Link](#) for directions

## Pick up Directions

1. Enter the driveway and continue straight to go around the loop.
2. Park in the interior of the loop (nose first).
3. If you pre-ordered items from Tasha's Own, pick these up first and also browse other goods
4. At the Bee Pickup location, you will see a table. Provide your name and we will hand you your package(s) of bees.
5. Return to your vehicle and exit.
  - Be aware of driveway two-way traffic and be courteous beekeepers.

Overflow parking available at 7891 Richmond Road (empty lot) If you arrive early or if line is backed up
